Re: St Albert Skating Centre- Day Ice Contract

Dear Skater, parent, or School Official,

For the 2010-2011 season, the St. Albert Skating Centre will be offering a day-ice program on Monday, Wednesday and Friday afternoons at Servus Credit Union Place. The Program will run from the beginning of September until Easter Weekend in April and will allow skaters to benefit from more training and coaching time in order to achieve their skating aspirations.

In order to take part, skaters will need to make accommodations with their teachers and schools before-hand, as well as take the initiative to maintain their academic standing throughout the school year. It needs to be stressed it is a privilege to take part in the day-ice program- one that will be revoked if school criteria are not met. Skaters need to know that school come first and skating second.

The coaches are looking forward to this exciting expansion of programming, which will allow skaters to pursue their Skate Canada test and perhaps, a competitive route in skating. We also look forward to working closely with parents and school staff to make sure the skater achieves a well-balanced home and academic life.

If the skater and parent agree to the above statements, please sign below. You are welcome to show this document to school officials for validation of this program. Or, they may contact me if they have any further questions or concerns at 780-458-8868 or [sasc@telusplanet.net](mailto:sasc@telusplanet.net).

Sincerely,

Devan Nychka  
SASC Skating Director
